

ATTENTION NEW JERSEY PARENTS!

Take the Parent Technology Use Survey today!

We need your insights to understand how **technology impacts family life**. By sharing your experiences, you can help us learn more about the role technology plays in modern parenting

The survey will take **20 min** to complete

You can choose to **skip any question** or **withdraw** from the survey at any time

All responses will be kept **strictly confidential** and will be used solely for research purposes. Your answers will be private, and no one will know they are from you

Why Participate?

Your Voice Matters! Your feedback will help us gain a better understanding of how parents use technology every day and how it might affect time with their family.

By completing the survey, you'll be entered into a raffle for a **chance to win a \$50 Amazon gift card!**
