2024-2025 Strategic Goals

We will serve all of our students by focusing on the following goals within a comprehensive and coherent PK-12 framework.

1. Foster a culture of academic excellence, innovation, and equity, where students are provided with personalized learning experiences, rigorous curriculum, and supportive resources to achieve their full potential.
2. Cultivate the wellness of the WTPS community through intentional programming and supports focused on the physical, social, emotional, behavioral, and technological development of students, staff, and parents/guardians.
3. Strengthen engagement and expand opportunities that foster a sense of belonging and purpose through inclusive experiences that promote positive peer and community relationship.
4. Practice fiscal responsibility while maintaining facilities for student learning in the 21st century, which includes clear and accurate reporting to the stakeholders.
5. Cultivate timely, consistent, effective, and equitable communications through reciprocal collaboration with all stakeholders to inform and inspire the District and greater community.
