

June 12, 2024

Dear WTPS Elementary Parents and Guardians,  
As we are wrapping up the 2023–2024 school year, our students are looking forward to a well deserved break! Summer is a great time to recharge and reset! While we're doing that, we want to be mindful of the "Summer Slide." Summer learning loss is a real thing, but it can be significantly minimized with meaningful and consistent activities to keep those brains sharp.

If you didn't have a chance to attend last night's parent presentation, ["Let's Avoid the Summer Slide,"](#) please take a moment to click through the presentation as it contains many links with resources to help your child become a **Summer Climber** and avoid becoming a **Summer Slider!** Don't miss the incentive slide, which explains how to earn raffle tickets to win individual and class rewards!

Although nothing is mandatory, these opportunities provide a chance for our students to engage their brains and minimize summer regression. Parents are encouraged to assist their children when needed.

Have a great summer!

Mrs. Erin Embon

Director of Curriculum PK–5
