

Good morning WTPS Community,

Please be advised due to extended power outages, lunch service cannot be provided at Old Mill School. As such, it is necessary to engage an early dismissal schedule (1:05 pm dismissal). At this point, JCP&L informed the District that power will be restored at approximately 12:30 pm. WRAP will continue to operate as scheduled. Parents of WRAP students will receive updates from the WRAP Director, Mrs. Shah-Hosein.
