September 9, 2022

Dear WTPS Family:

I am thrilled that the school year is off to such a great start! It has been wonderful to see our WTPS students and staff back in the buildings, brimming with energy.

As we end our first week of school, please be sure to visit our website at wallpublicschools.org for both school and district information. Additionally, community members are invited to connect with our WTPS district-managed [Facebook](#), [Instagram](#), and [Twitter](#) accounts. These accounts include district video footage with highlights celebrating our special first week of school. For feedback regarding our websites or social media, please contact Heather Daniel, our Supervisor of Instructional Technology and Digital Communications, at hdaniel@wallpublicschools.org. Feedback may also be submitted using [this feedback form](#), which is also located at the top of each website.

Tonight is our Wall High School home opener football game versus Red Bank Catholic High School at 7:00PM. While tickets can be purchased at the gate, we encourage our WTPS families and fans to purchase tickets [using our online ticket purchasing system](#). Fans are also invited to the Wall Municipal Complex to cheer on our Girls Varsity Soccer Team at 5:00PM and our Boys Varsity Soccer Team at 7:00PM, as they take the home field against Saint Rose High School. Please be reminded that students in grades kindergarten through eight must be supervised by an adult while attending our athletic events. **Let's Go Knights!**

As you know, Sunday marks the 21st Anniversary of September 11th. Together, we remember and honor the lives lost, the first responders, and their families. Although a day of great sorrow, their dedication, heroism, and strength must never be forgotten. I wish a special weekend to you and yours.

Sincerely,

Tracy R. Handerhan, D. Litt.
Superintendent of Schools
